Multi-Cultural Household Support Center	3
Purpose of Establishment	3

Purpose of Establishment

A general comprehensive family support service is dualized for each family type and provided for diverse families in Korea regardless of family type.

In order to support the stable settlement and family life of multi-culture families, the center provides with a general service of education and consultation for family and children, interpretation and translation, information, and competency reinforcement. The center promotes the early adaptation to Korean society by multi-culture families and the support of their social and economic independence.

- Address: 33, Saeteo-ro, Yeosu-si
